

## **CareRx President & CEO Discusses Growth Outlook with MicroCapClub**

Puneet Khanna, President & Chief Executive Officer for CareRx recently joined David Barbato of MicroCapClub to discuss the Company's growth outlook, capital strategy, and trends shaping Canada's long-term care market.

Khanna noted, *"we are servicing a growing marketplace that relies on the medications and products we provide at scale. That market is expected to double over the next 15 years,"* reinforcing the Company's strong long-term demand outlook.
